

WORKING SAFELY WITH NONHUMAN PRIMATES

Safety Awareness Training Course

Training Package

- 1) Trainer Powerpoint presentation (2005) – use as the minimum info provided. You can add to this, but should not delete information.
- 2) Video/CD/DVD (English version) - Spanish and Captioned versions of the video are also available from OACU
- 3) Quiz with answer key - Each trainee is expected to complete the quiz. The trainer should review and discuss any missed answers with the trainee
- 4) Herpes B Virus Fact Sheet – Provide to each student

***The following items should be discussed during the training and copies should be *readily accessible* in a prominent location in the facility and pointed out to the trainee during the facility orientation:**

- 5) PM 3044-2 (2005) - Protection of Personnel Who Work with Nonhuman Primates
- 6) PM 1340 - NIH Occupational Safety and Health Management

***The following items are provided as resource material for the Trainers:**

- 7) Script (text) from the video
- 8) Current AESP Description: includes section on Injuries Involving NHPs
- 9) Emerg Inf Dis, Vol 9, No. 2, 2003, B-Virus Infection in Humans and Macaques: Potential for Zoonotic Disease
- 10) CID 35:1191-1203, 2002, Recommendations for Prevention of and Therapy for Exposure to B Virus (*Cercopithecine herpesvirus 1*)
- 11) MMWR 47:1073-1076, 1998, Fatal *Cercopithecine herpesvirus 1* (B virus) Infection Following a Mucocutaneous Exposure and Interim Recommendations for Worker Protection.

***The Training Registration form provides *minimum* info that must be gathered for each student as they take the training. This form can be used as is, or altered in format (but not content) to suit your needs.**
